CONSTRUCTION CO.

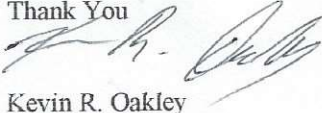

Don Oakley Construction Co. has had the pleasure of working with Schout Painting and Wallpapering on several projects over the past several years. These projects have ranged from new homes to commercial projects such as the Community Center Addition and Remodel in Ashmore, Illinois.

We have found the workmanship on all of these projects to be excellent. Just as important to us is the professionalism displayed by Pat and all of his employees. It is extremely important to us that our subcontractors maintain a high level of professionalism on the job when dealing with our customers. Without exception, our customers have been impressed with Schout Painting.

We will not hesitate to utilize the services of Schout Painting in the future and recommend them to anyone seeking a quality project.

If you have any questions, please feel free to contact us at (217) 345-9382.

Thank You
